About TRMS

Learn everything you can about Training Aids, Devices, Simulators and Simulations - tools that will enhance and add flexibility to your training.

Check out authorizations and expenditures of training ammunition in USAREUR. This section of TRMS will interface with TAMIS-R.

Discover use figures for a variety of TADSS by TSC. This section of TRMS interfaces with MATS II.

Get a bird's eye view of ranges, local training areas and installations by ASG and BSB. This section of TRMS will interface with RFMSS.

View training-related conferences scheduled throughout USAREUR. See conference agendas, email the attendees and add after action reviews.

View MDEP definitions and check out the Range and Training Land Program.
